

We make specialised laminated signs for all purposes. If you require signage around the clubhouse for "No Smoking", Gents or Ladies Changing Rooms, Bar Prices or any other reason we can help. The Sign will be printed on a quality laser printer and then laminated to protect it from dirt etc. If required we can then apply a very strong double sided tape to the back of the sign for fixing it into position. Any sign can be designed for you, up to a maximum size of A3.

Are you still fixing engraved name plates to your honours boards? Then you will be aware that the cost of completing the honours board each year is a massive drain on your clubs resources. In a bid to offer an alternative to the plastic engraved strip that will not look out of place on existing honours boards and is a much more cost efficient method, we make a printed 'laminated' strip with a strong double sided tape for fixing.

The printing is a white on Black giving the illusion that they are the same as the engraved strip but at a fraction of the cost. The entire honours board can cost you as little as £10.00 and when compared to the figure you currently pay and I am sure you will be very interested.

GUIDE PRICE ONLY...

(Price varies depending on quantity and D/S tape required on signs)

Signs..
